### **MISSION**

The mission of The Mercenary Guild Academy is to educate and inspire the members of our fan association about all things TMG. Through our online courses, students are exposed to new knowledge and ideas, and are challenged to research the wonderful works of Mark Wandrey, Chris Kennedy, and many other authors as they embark on a journey into the imaginative world of the Four Horsemen Universe.

### **VISION**

The vision of the Mercenary Guild Academy is to create an instructive, fun, and interactive environment that encourages the members to learn about the organization they belong to and the literary universe in which it resides.

### **VALUES**

The Mercenary Guild Academy embraces the values of Honor, Integrity, Honesty, Life-long Learning, and Training.
